Grant Cycle 43 Timeline

State Plan Committee Recommendations:

- Cycle 43 should be regional grants, \$20,000 per region
- Allow each region to select a State Plan goal priority based on need. Priority to be identified by Regional Manager with input from variety of sources, including RAC.
- Revise the RFP to reflect this approach, no revisions to the scoring sheet
 - State Plan
 - Methodology
 - Administration/Budget
- Focus on the resources the Council made available for grant writing training
